

Dynatrace AWS Hands-On Workshop

Dynatrace Virtual Classroom pre-requisite setup

Workshop Requirements Overview

1. Dynatrace University virtual classroom is where you will have access to the provisioned EC2 hosts, Dynatrace tenant, and hands-on guides.
2. Dynatrace University requires your email that authenticates with Dynatrace SSO.
3. If you are not a current Dynatrace user, you will need to fill in the form for the free 15-day trial and this will establish your SSO. You are welcome to use this Dynatrace trial after the workshop. You will NOT use this one during the workshop.
4. If you are a current Dynatrace customer, you likely have this already and only need to confirm the registration to the Dynatrace University virtual class for this workshop.

If you are new to Dynatrace, follow the steps of this section AND the steps in the next section starting on page 8

If you are not new to Dynatrace, then skip ahead to page 8

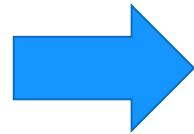

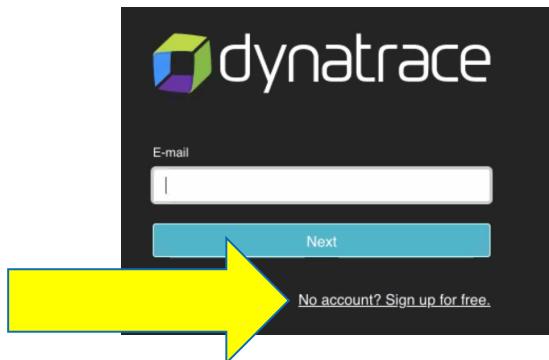

Register for the Dynatrace Immersion Day event

#1 - Click on this LINK to register for the event. Clicking on this will direct you to a Dynatrace Login Page.

<https://university.dynatrace.com/live-training/training/23466/event/26204>

#2 - On the login page, click the “No Account?” Link

This will direct
you to the free
trial page

The screenshot shows the Dynatrace website's free trial landing page. At the top, there's a navigation bar with links for Platform, Solutions, Resources, Services & Support, About, and SaaS login. Below the navigation, a large banner says "Getting started with Dynatrace is easy." and features a video thumbnail of a man speaking. To the left, there's a section for starting a free trial with a list of benefits: "First 15 days are absolutely free.", "No credit card required.", and "Get up and running in under 5 minutes.". There's also a form to enter a business email address and a "Start free trial" button. At the bottom, there are links for "Get a guided demo from a Dynatrace", "Schedule a demo", and "Visit resource center".

Register for a trial to establish SSO

Fill in your email, then click the “Start free trial” button

The screenshot shows the Dynatrace homepage with a prominent "Start your free trial" button. A yellow arrow points to this button, indicating the user action. The page includes a list of benefits and a reCAPTCHA field.

Start your free trial

- ✓ First 15 days are absolutely free.
- ✓ No credit card required.
- ✓ Get up and running in under 5 minutes.

Confidential 5

Register for a trial to establish SSO, continued

Follow the wizards
complete the process.

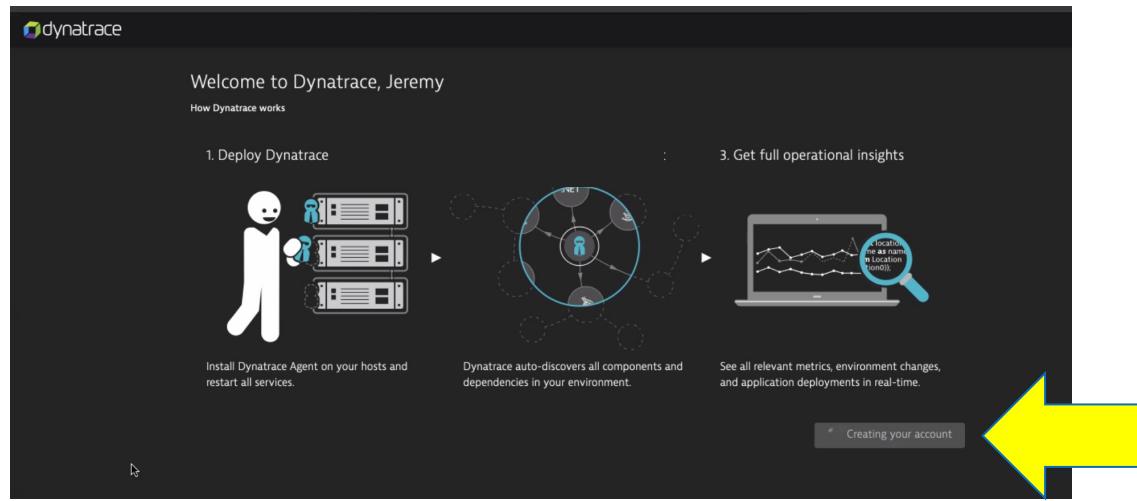

Pick closest region to you,
accept terms, and then click
“create account”

Register for a trial to establish SSO, continued

This page will display and will take a minute or two for the environment to be setup. Wait for it to complete.

When the process is complete, this button will turn blue.

If you click it, you will be in your free trial Dynatrace environment. You are welcome to use it BUT we will NOT use this one during the workshop.

Once the button is blue, continue with the steps in the next section

Dynatrace University Virtual classroom registration process

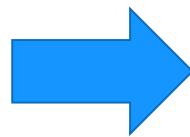

Register for the Dynatrace Immersion Day event

#1 - Click on this LINK to register for the event. Clicking on this will direct you to a Dynatrace Login Page.

<https://university.dynatrace.com/live-training/training/23466/event/26204>

#2 - On the login page, login

After logging in,
it will show the
event page

Complete registration – Step 1 of 3

If you got to the event page, then click on the “Register for Event”, button

The screenshot shows the Dynatrace Support Center interface. At the top, there's a navigation bar with links for Documentation, Community, University, Support tickets, and a search bar. Below the navigation is a dashboard with various metrics like transactions per minute and response times. The main content area displays an event titled "AWS Immersion Day - So Cal". On the right side of the event card, there's a blue button labeled "Register for event" with the text "25 of 28 seats remaining" underneath it. A large yellow arrow points to this button. To the left of the event card, there's a section for "About this event" which says "Custom Training". To the right, there's a "Sessions" section showing a single session on "June 10, 2021 10:00 am - 2:00 pm". Further down, there's an "Event details" section with information about the delivery method (Online training), location (Virtual), time zone (America/Los_Angeles), skill level (Beginner), and language (English). The entire screenshot has a dark background.

Complete registration – Step 2 of 3

Review the terms, then click on the “Accept terms and conditions”, button

Register for event

1 Accept terms and conditions

By clicking "Accept terms and conditions", you agree to the Terms of Service. In case of a conflict between the Terms of Service and any other agreement or communication, the Terms of Service will prevail. The Terms of Service are binding and cannot be amended except by written agreement between the parties.

11.7 Entire Agreement

These Terms of Service constitute the complete and exclusive agreement between the parties with respect to the subject matter hereof, superseding any prior agreements and communications (both written and oral). The terms and conditions contained in any purchase order shall be of no force or effect, even if the order is accepted by Dynatrace. This Agreement may only be modified, or any rights under it waived, by a written document executed by both parties.

11.8 Survival

Sections 5, 7, 8, 9, 10 and 11 shall survive expiration or termination of this Agreement.

Accept terms and conditions

2 Complete registration

Complete registration – Step 3 of 3

To complete the registration, click on the “Confirm”, button

Register for event

1 Accept terms and conditions
